STATION RANGE PORCELAIN TILES

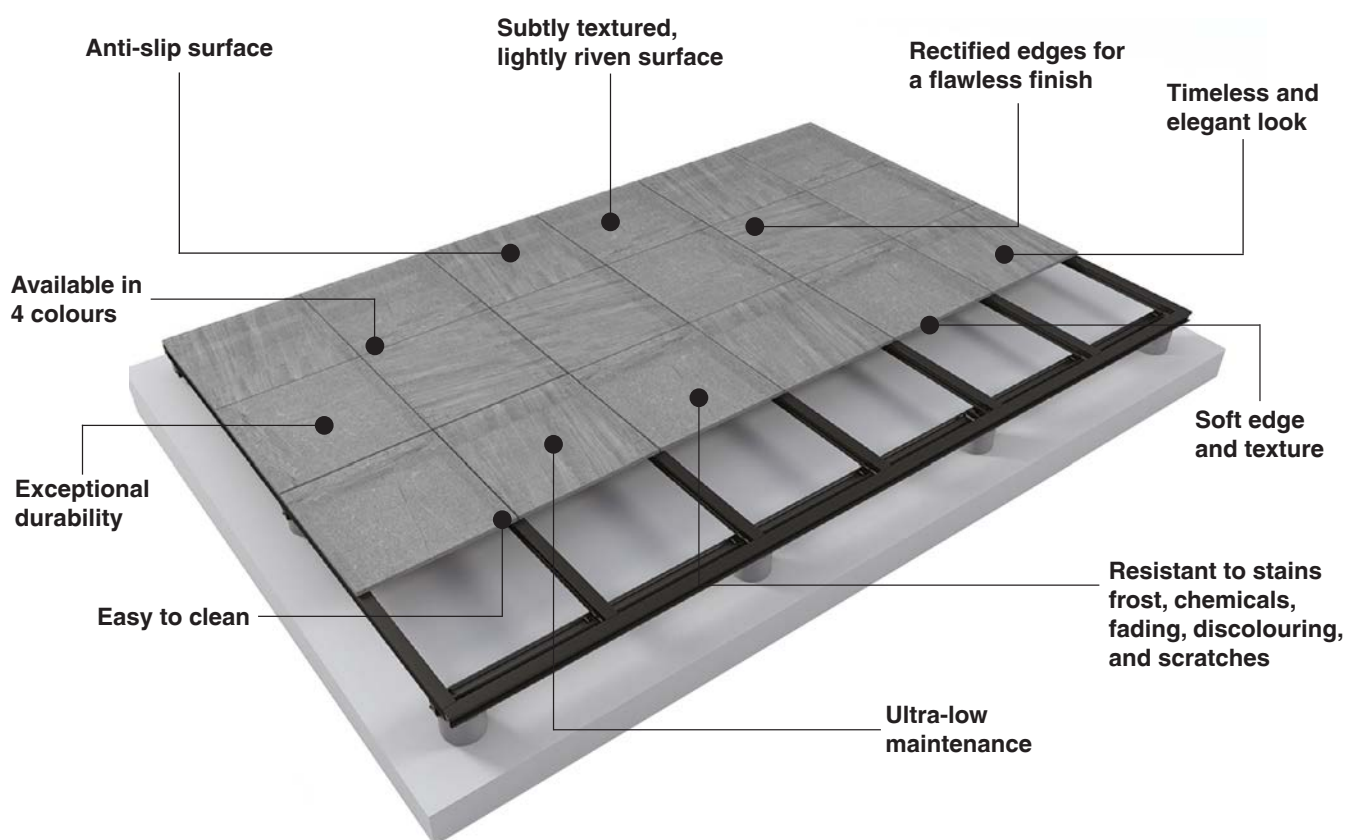

Uncompromising style, unrivalled performance.
Premium **porcelain tiles**.

Why Choose Porcelain Tiles?

Global Stone Station porcelain tiles offer enhanced durability, simplified installation, and ultra-low maintenance. These tiles are engineered for high-traffic residential and commercial areas, with a high anti-slip rating (R11 or greater), providing excellent rigidity and resistance to breaking load and stress. The reinforced strength of the 20mm thick tile, allows you to lay tiles at 600mm spans when laying on joists. Available in 4 colours with a choice of 2 sizes (600 x 600 x 20mm or 900 x 600 x 20mm).

Global Stone Station porcelain tiles offer the timeless elegance you desire with the exceptional performance you need for your outdoor spaces. Experience the sophisticated beauty of slate, reimagined in durable, low-maintenance porcelain.
